Varna

We, the volunteers from the Ukrainian Home, UIC 206869771, Varna, hopefully send you the following

P L E A **for the provision of humanitarian aid**

As a result of the active hostilities that the Russian Federation is waging on the territory of Ukraine, incl. and on the territory of Dnipropetrovsk region, the hospitals of the regional center - Dnipro receive a large number of wounded. In addition, as a result of the operations for evacuation of the civilian population from the areas of active hostilities (Mariupol, Volnovakha, Popasna, Melitopol, Vasilivka, Pologi, Kharkiv, Sumy) in the city of Dnipro there are not enough food supplies, including baby purees, porridges and formulas, all kinds of hygiene products, medicines and medical supplies.

The situation is no different in the city of Odessa and Odessa region.

In this regard, we separate the necessary assistance in several groups, namely:

1. Medicinal products, consumables and medicinal products (*Application for drugs):

- medicaments used in neurology;
- medicaments used in cardiovascular diseases;
- analgetics and antispasmodics (ordinary and strong);
- hemostatic; bleeding control and antihemorrhagic preparations;
- medicaments used for injuries - strokes and sprains;
- anti-inflammatory and antirheumatic;

- broad-spectrum antibiotics;
- medicaments used for eye and ear diseases;
- anti-influenza drugs;
- anti-allergic preparations;
- antiseptics;
- analgetics
- medicaments used in venous diseases;
- medicines used in diseases of the digestive system and diarrhea;
- anti-shock injections;
- Hemotran (or its analogues);
- Tivortin (or its analogues);
- gels, used for burns;
- bandages for burns;
- turnstiles and Esmarch turnstiles;
- hemostatic bandages;
- hemostatic fungi - Unispon, Sargispon, Gelaspon;
- pneumatic rails;
- chemical protection respirators;
- medical gloves;
- Atropine;

2. In addition to the above, we are forced to turn to you in the hope for help and ask for humanitarian aid to the Ukrainian people, the wounded and the refugees, namely:

- legumes - millet, oats, buckwheat, rice;
- pasta and spaghetti;
- ready-made spaghetti, dry soups and instant porridges;
- sugar;
- canned food - vegetables, fish and meat;
- tea, coffee;
- biscuits, waffles, croissants;
- juices;
- baby purees, porridges and formulas;
- water in plastic bottles (0.5 and 1.5 l.)

3. From the point of view of necessary hygiene products we would gratefully accept:

- detergents;
- Toothpaste;

- toothbrushes;
- diapers of all sizes;
- sanitary napkins;
- shampoos;
- soaps;
- toilet paper;
- detergents, dishwashing detergents and disinfectants;
- trash bags;
- disposable gloves;
- anti-itch baby creams;

4. Men's underwear is also required for those who are injured and are being treated in hospitals, the list is as follows:

- mens T-shirts;
- men's tank tops;
- man socks;
- men's sports suits (underpants);
- men's boxers and / or briefs;
- men's thermal underwear;
- men's slippers;

5. For living and cooking in the field are necessary:

- sleeping bags and mattresses / sleeping pads;
- generators;
- Solar Power Bank
- Batteries (various AA, AAA)
- LED lamps;
- flashlights - pocket, portable and / or floodlights »
- kerosene burners
- stoves / Primus
- gas bottles
- kerosene lamps
- stoves for cooking outside
- thermoses
- cups - metal or disposable
- Disposable cutlery - spoons, forks, knives, plates.

We sincerely hope that our request will be met with understanding and we rely on your responsiveness, empathy and compassion. Qualities and virtues shown by the Bulgarian people, reaching out to us in these difficult days of war in Ukraine, death and destruction.

Sincerely yours,

Evgenia Volkova

Chairman of the Board
