DISRUPTIVE SOCIAL INNOVATION : AVOIDING & FIXING THE HUMANITARIAN CRISIS

INCUBATOR of TECHNOLOGIES + TRAIN the TRAINERS CENTER
for DESIGNING & IMPLEMENTATION of EARLY INTEGRATION SYSTEM:

THREATS to AVOID:

1. Huge unemployment
2. Crime rate growth
3. Health care crisis
4. Negative image of refugees and social conflicts
5. Overall social climate deterioration
6. Overload for EU financial balance (in 2020: 74.4 mln refugees in the EU excluding Ukrainians*)

Psychological Correction & Bodywork

(addressing post traumatic syndrome : best practices and innovations in the field)

Professional Re-engineering

(Tax payers, not welfare!
Job search, entrepreneurship, e-business scope & startups)

Language Express School 10, 30 & 100 day sprints

(Bulgarian, English, onsite setup courses + multiple online partnerships)

Socialization & Integration for Children

(Psychological, kindergarten and schools level activities, connection with universities)

Financial & Legal Guidance across the EU

(localization and/or internationalization of economic matters for Ukr refugees settled in the EU)

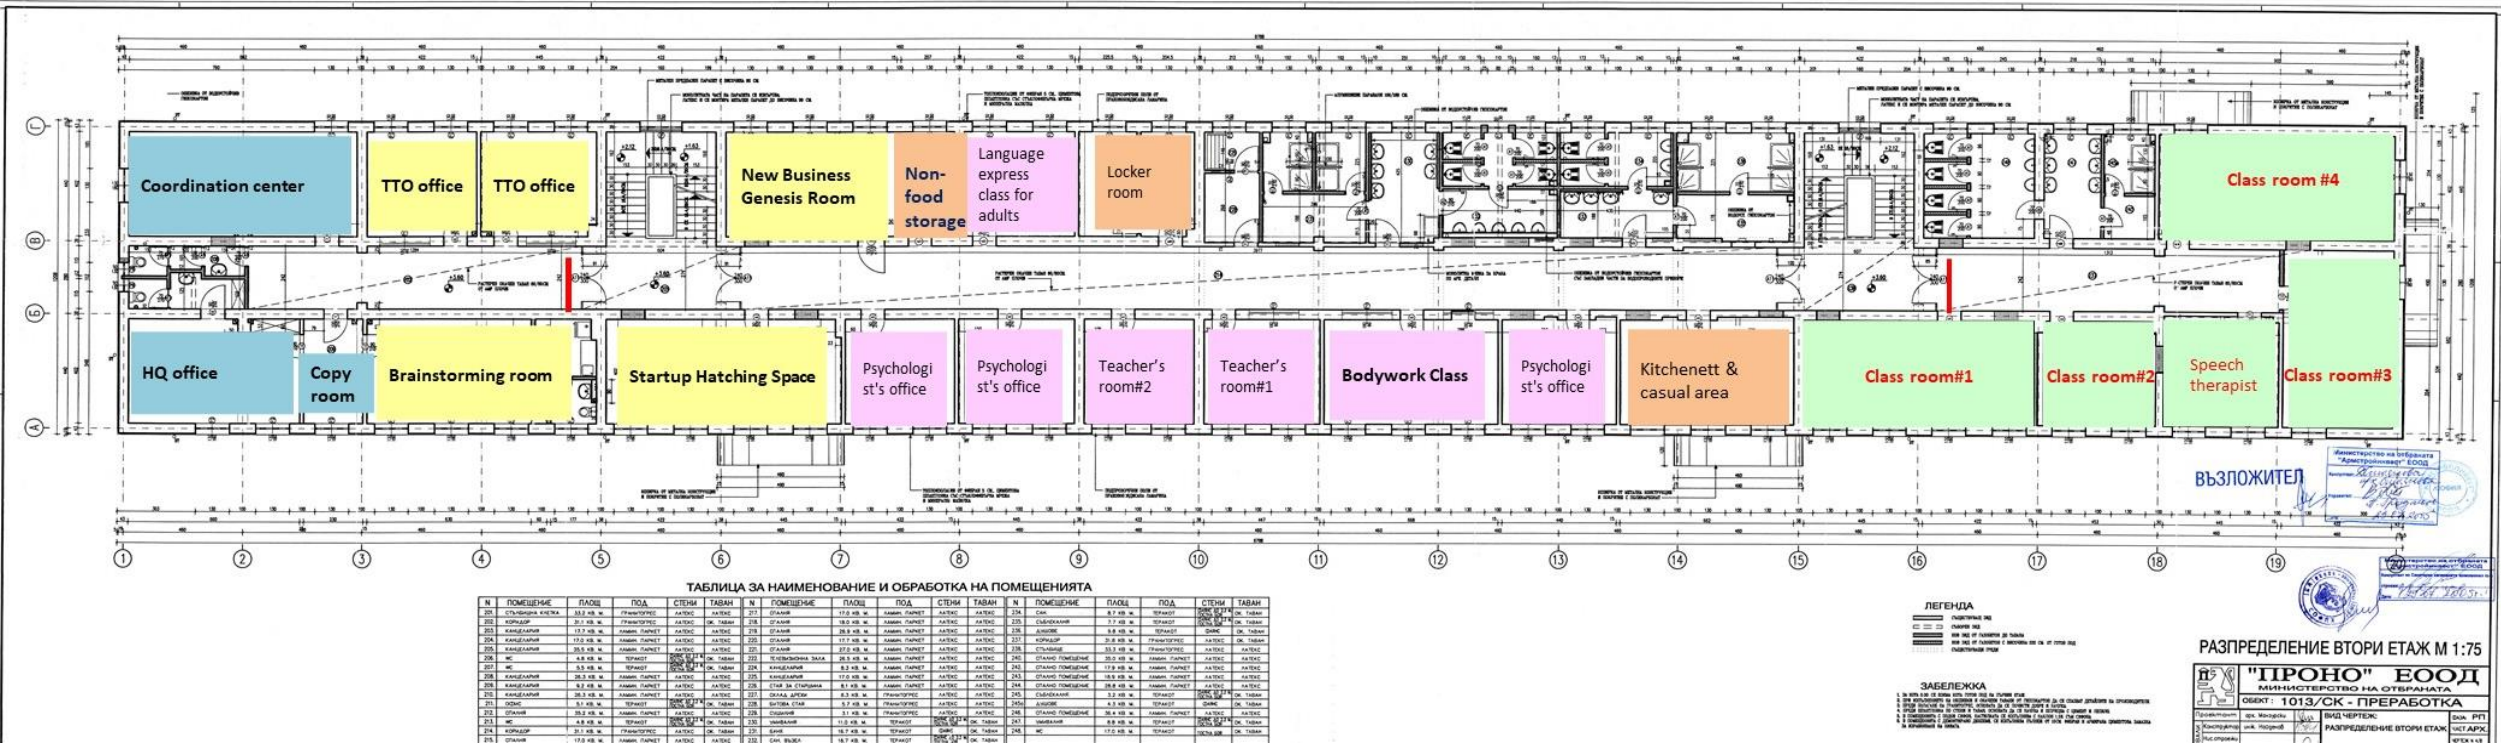

Technology Transfer Office

(train the trainers system already requested by Polish, German, Italian, Belgian and Moldovan peer centers)

EXPECTED IMPACTS:

1. Integration of Ukrainians into the EU system
2. Decrease of financial load to EU budget
3. Integration of adults to economy = jobs & startups
4. Integration of children into education system
5. Massive systematic FDI
6. Proof of concept for innovation of social instruments for refugee integration globally
